God is Good

God is Sovereign:

We recognize it through His titles, His promises, Jesus, and events that are unexplainable.

We respond by adjusting our attitude, absolutely refusing to worry, and appreciating our position.

Defining a God who is wise...

Wisdom: the ability to judge rightly and then follow the soundest course of action.

“Wisdom sees the end from the beginning, so there can be no guess or conjecture. Wisdom sees everything in focus, each in proper relation to all, and thus is able to work toward predestined goals, with flawless precision.

All God’s acts are done in perfect wisdom, first for His own glory, and then for the highest good of the greatest number for the longest time.

All His acts are as pure as they are wise, and as good as they are wise and pure. Not only could His acts not be better done; a better way to do them could not be imagined.”A.W. Tozer

A famous conundrum: The son on the train tracks.

Job found out that in the grand scope of things, we know nothing.

Oh, the depth of the riches both of the wisdom and the knowledge of God!

Prayer:

Lord God, infinite in wisdom and knowledge, thank You for demonstrating Your wisdom in the world around me, for allowing me to sometimes distinguish Your wisdom in the events around me, and for providing for my salvation in the only way possible. Grant that I might live in total reverence and awe of You, feed constantly on Your word, and daily trust that Your wisdom is always best.
