*Acts 6:1-7*

*In those days when the number of disciples was increasing, the Grecian Jews complained.... because their widows were being overlooked in the daily distribution of food. So the Twelve gathered all the disciples together and said: "It would not be right for us to neglect the ministry of the word of God in order to wait on tables. Brothers, choose seven men from among you who are known to be full of the Spirit and wisdom. We will turn this responsibility over to them and will give our attention to prayer and the ministry of the word."*

*They chose Stephen,... Philip, Prochorus, Nicanor, Timon, Parmenas, and Nicolas...  
So the word of God spread.*

*The number of disciples in Jerusalem increased rapidly...*

“Of all the classical Spritual Disciplines, service is the most conducive to the growth of humility. When we set out on a consciously chosen course of action that accents the good of others and is for the most part a hidden work, a deep change occurs in our spirit. Nothing disciplines the inordinate desires of the flesh like service, and nothing transforms the desires of the flesh like serving in hiddenness. The flesh whines against service but screams against hidden service. It strains and pulls for honor and recognition. It will devise subtle, religiously acceptable means to call attention to the service rendered. If we stoutly refuse to give in to this lust of the flesh we crucify it. Every time we crucify the flesh we crucify our pride and arrogance.”
