

Moving From Inside To Outside

#6 – An Outside Vision For Northside

December 5, 2004

Review...

We should get out of the salt shaker,
because people are lost, only Jesus can save them,
and we have been given the ministry of reconciliation
The foundation of evangelism is objective, authoritative truth.
The pattern of evangelism is... as you go
help friends take the next step toward salvation.
The process of evangelism is... cultivate the soil & plant the seed.
The grace of God is for all people – so we should be mission-minded.
